
HOW TO USE THE PROGRAMME LIST

1. How do I use the Programme List Section?

Click on the 'Available Programmes' Tab on our website and select 'Programme List' from the left navigation bar or on the link in 2025 Digital Walk-ins portal to view the programmes available by using the drop-down menu options for institution/faculty/campus or career direction.

Alternatively, you can enter a programme name/code if you are looking for a particular programme and click on 'Submit'

Each programme has entry requirements for different examination types (i.e. Senior Certificate, NSC, N3, etc.). To view the minimum programme entry requirements for a programme, you have to enter your school leaving exam type.

Once you have looked through the available programmes and have decided on the programmes you wish to apply for, please login at <https://www.cao.ac.za/login.aspx> and complete your online application.

2. How do I search for a Programme in a Specific Field?

To view the programmes available in e.g. 'Public Management' go to www.cao.ac.za

- Click on the 'Programmes' tab at the top of the page
- Select 'Programme List' on the left navigation bar
- Type PUBLIC in the 'Programme Name' field
- Click on 'Submit'

A grid will then be displayed at the bottom of the screen with the various programmes available.

You can click on the numbers below the grid (i.e. 1,2, 3 etc) to view more programmes and if you want to view the programme entry requirements for a specific programme, click on the 'Select' option located on the left hand side of the programme row/line.
