

UNIVERSITY OF
ZULULAND

ADMISSIONS OFFICE

The University is in the process of making **selection** and all applicants will be notified in due course via **email or sms notices**.

A. IF YOU PASSED MATRIC BEFORE 2026

If you already have your matric certificate and meet the admission requirements for your chosen course:

- You may receive a firm offer from UNIZULU.
- Log in to the [UNIZULU iEnabler application portal](#).
- Check whether an offer is available.
- If you have received a firm offer, accept it before the expiry date.
- You do not need to pay a fee just to accept or decline the offer.

Remember: meeting the minimum requirements does not automatically guarantee admission.

B. IF YOU ARE WRITING MATRIC IN 2026

If you are currently in Grade 12:

- You may receive a conditional offer based on your application and Grade 12 June or September and or Grade 11 final results.
- You must meet the national requirements for your qualification and the specific requirements for your chosen course.
- UNIZULU will review conditional offers after the final matric results are released.
- The notice says the final admission decision is expected in January 2027.

Important: A conditional offer is not a guarantee of final admission. Your final results must meet the required criteria.

You do not need to accept or decline the conditional offer

C. IF YOU HAVE APPLIED BUT HAVEN'T RECEIVED AN OFFER

Don't panic. According to the notice, UNIZULU is still processing applications. Here's what you should do:

- Check your email inbox, including your spam or junk folder.
- Check your SMS messages for updates from the university.
- Log in to the Central Applications Office (CAO) on www.cao.ac.za website to check your application status.
- Make sure your contact details are correct.
- Continue checking for updates rather than assuming your application has been rejected.

A NODE FOR AFRICAN THOUGHT

The notice does not say that everyone will receive an offer; it says applicants will be notified of the outcome.

D. IF YOU RECEIVED AN OFFER BUT DON'T KNOW WHETHER TO ACCEPT IT

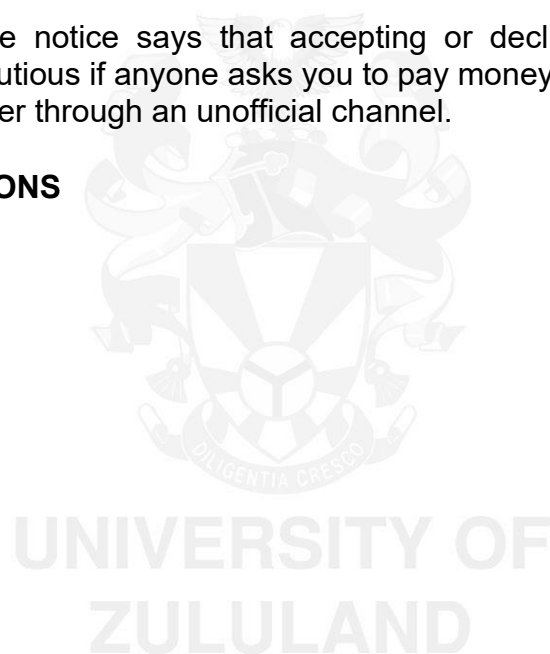

First, establish which type of offer you received.

Offer type	What you should do
1. Firm offer	Accept it before the stated expiry date if you want the place.
2. Conditional offer	Check the conditions and work towards meeting the matric requirements.
3. No offer yet	Monitor your application status and wait for an official decision.

Important:

The notice says that accepting or declining an offer is free. Be cautious if anyone asks you to pay money specifically to secure your offer through an unofficial channel.
